Hey bro you a gamer? So am I! Wanna play some epic games via your browser? [Register](#) to do that! It is free!

Hey, developer! Looking for a nice platform to put your games on? [Check what we are about!](#)

/

This page is for marketing and the main purpose of it is to get more users to register, both players and developers.

## WHAT IS THIS GAMING PLATFORM?

Hello you! We thank you for your interest towards our service. What service you ask? Well, the one and only JavaScript Gaming Platform! We offer a wide variety of JavaScript games that you, as a player or as a developer, can enjoy. There are interesting features other than gaming, one can review games also! In addition to this, you can see statistics of games and highscores. All this without any registration fee!

If the aforesaid is not your thing but you are interested in making a living out of game development then look no further. For developers we offer an easy to use tools that you can upload your games with the price you wish. You can also change the pricing at any given date if you wish to give a discount on holidays for example. We provide you with in-depth statistics of how the sales are doing!
